SATISFACTORY ACADEMIC PROGRESS APPEAL PROCESS

The Higher Education Act of 1965, as amended, requires Albion College to develop and enforce standards of satisfactory academic progress (SAP) in order to maintain your eligibility for federal financial aid. The standards are developed to ensure that students are succeeding academically while also minimizing student debt.

The SAP standards require students to meet three criteria:

- Minimum Grade Point Average (GPA)
- Cumulative Completion Rate (Pace)
- Maximum time frame for completion

Students who have been placed on Financial Aid Suspension may complete an appeal of eligibility if there are extenuating circumstances.

SAP APPEAL REASONS

Valid reasons for an SAP appeal include, but are not limited to:

- Injury, accident, or illness by you or a significant person in your life.
- Death of a family member or significant person in your life.
- Another significant event that can be documented.

The following are NOT valid reasons for an SAP appeal:

- Unpreparedness for college coursework.
- Lack of awareness of course withdrawal policies.
- The need for financial assistance.
